

2008-2009 MARCHING BAND

VOLUNTEER RESPONSIBILITIES

Uniform Check-Out - This requires volunteers to be in place 15 minutes before the students are to report. The uniform racks are in the uniform room at the end of the hall (the band directors have the key). Pull all uniform racks out, keeping them in numerical order on the racks, just as you find them. Once the racks are out, string the yellow caution tape across from the lockers to the wall just to keep the students from getting into the uniform area. A student will come up to the yellow tape and give you his uniform number (jacket number). Retrieve that bag from the rack. On the front of the bag, you will see the jacket, pant and hat numbers. After you retrieve the bag, call out the hat number to the person getting the hats. Hand the uniform and the hat to the student at the same time.

Uniform Check-In - The racks are stored in the uniform room during a performance (with the exception of a competition). Again, pull all the racks out of the uniform room and set them up in numerical order. Put the yellow caution tape up. The student is responsible for returning the hat, in its original box, and the uniform, in its bag, to you. Open each bag to assure the pants have been hung up properly. It is not your job to hang them up properly, but if they are hung incorrectly, hand the whole uniform back to the student to do it until he/she gets it right. When complete, hang the bag back on the rack in numerical order, and hand the hat to the hat person to put back in the hat room. The hats are also in numerical order. During Away competitions, this will be done just before students get on the bus to return back to DMHS.

Pre-Game Stands/Water/Plumes - The volunteers for this are responsible for ensuring the coolers, with water and ice, are taken to the stands, along with plenty of cups for the game/competition. The coolers are in the storage room closest to the band room (directors have the keys). For games, the ice can usually be obtained in the cafeteria, provided a school custodian goes with you. For competitions, it's necessary to buy the ice before arriving at the school. For away games and competitions, often times there is a hose available at the other end to fill the iced cooler.

As for plumes, five minutes prior to halftime you are required to distribute and insert the plumes into the hats. Immediately following completion of the performance, the volunteers remove the plumes and return them to the plume boxes. This task MAY take place in the stands or near the football field just prior to performance.

Bench-warmer volunteers actually sit in the bandstands during halftime & third quarter, and do not allow anyone to cut across the bandstands. This is done to protect the instruments and band members' personal belongings.

Football Field/Podiums - The students handle the pit set-up. The field volunteers, however, will be required to assemble the four podiums. The 6' podium goes right in the center facing the home stands. The two, 4' podiums are placed one on each side of the 6' podium. The 5' podium is in the center on the BACKSIDE of the field (to be able to direct the students when they are facing the rear). The podiums all have skirts that are to be affixed with Velcro, when they are used. For away performances, field volunteers also help with the truck loading and unloading.

Bus Chaperones - Adult chaperones are required on each bus to an away game or competition. Their responsibility is to maintain order on the bus and to ensure the bus driver's rules are adhered to. Also responsible for helping affixing plumes for students and retrieving & boxing plumes.

Truck Rental - Pick up rental truck from Penske rental location (at 8225 East Raintree in the Scottsdale Airpark) before report time. Assist in loading or directing loading of truck. Drive truck to performance location. Direct unloading of equipment, and reload of empty carts, cases and racks. After performance, direct and help with reloading of truck. Drive truck back to DMHS and direct unloading of equipment. Return truck, with full gas tank, to original rental location.

Senior Recognition Night at last home football game. Coordinate activities and awards for graduating Seniors.

Marching Band Banquet - The marching band banquet closes out the Marching Season. A coordinator oversees several areas of activities. Volunteers seek quotes from potential caterers, and determine a price per person, keeping in mind that the band students eat free. Other volunteers are responsible for set-up and clean up, though usually lots of parents volunteer on the spot!

Band Camp - This is such a rewarding experience...

Contact Names:

Paul Sim, President
PSimm@DMHSBand.org

Mike Baranack
MBaranack@DMHSBand.org

Geri Franquist, Secretary
GeriFranquist@DMHSBand.org

Dale Joersz, Treasurer
DJoersz@DMHSBand.org

Kyle Jacobs, VP of Fundraising
KJacobs@DMHSBand.org

Communications - We have a website (www.DMHSBand.org), weekly e-mails, and an automated outbound call system to keep everyone informed of the activities of the DMHS Bands. If you have any questions or comments, contact Lisa Baranack at Webmaster@DMHSBand.org

We are trying to encourage each section to "Band Together". To promote group dynamics, we encourage each section to organize barbeques/dinners before each home game, and try to rotate these functions between the homes of different members each week. The percussion section has done this for 6 years and it has been very successful. If one parent can get this started for their student's section, then it will build on its own.

If you ever have questions concerning anything, please feel free to contact anyone on this list! Thanks for all your help...this program couldn't run without the volunteer efforts of the parents!
