

2005 - 2006 ALL BANDS

VOLUNTEER RESPONSIBILITIES

Bus Chaperones - Adult chaperones are required on each bus for away competitions and overnight stays. The number of chaperones, depends upon the number of students participating in these away activities, but is usually around 1 chaperone for every 8 students. Their responsibility is to maintain order on the bus and to ensure the bus driver's rules are adhered to. Chaperones are also responsible for room checks and student behavior during any activity participated in on an away trip.

Transportation - Make arrangements with approved Charter Bus Company.

Truck Rental - Pick up rental truck from Penske rental location (at 8225 East Raintree in the Scottsdale Airpark) before report time. Assist in loading or directing loading of truck. Drive truck to performance location. Direct unloading of equipment, and reload of empty carts, cases and racks. After performance, direct and help with reloading of truck. Drive truck back to DMHS and direct unloading of equipment. Return truck, with full gas tank, to original rental location.

End of Year Band Banquet - The band banquet is scheduled for Tuesday, May 23rd. Volunteers seek quotes from potential caterers, and determine a price per person, keeping in mind that the band students eat free. Also responsible for set-up and clean up, though usually lots of parents volunteer on the spot!

Communications - We have a website (www.DMHSBand.org), weekly e-mails, and an automated outbound call system to keep everyone informed of the activities of the DMHS Bands. If you have any questions or comments, contact Jerry Grady 480-391-0238 or JGrady@TheGradyWorks.com

We are trying to encourage each section to "Band Together". To promote group dynamics, we encourage each section to organize barbeques/dinners and get-togethers, and try to rotate these functions between the homes of different members each week. The percussion section has done this for 5 years and it has been very successful. If one parent can get this started for their student's section, then it will build on its own.

If you ever have questions concerning anything, please feel free to contact anyone on this list! Thanks for all your help...this program couldn't run without the volunteer efforts of the parents!
