In order to be scholarshipped by the Band Boosters for the Riverside trip, those in need must show some reasonable effort to pay the cost of the trip, either through coupon sales or tax credit. If no effort is made, then Michelle must determine how she wants to support them, through the discretionary fund or band aid account.

Band Camp – Looking at NAU; runs from July 23 to July 29. Still sort of open. NAU is covering a small amount as part of a recruiting program for NAU.
