

## Scottsdale Unified School District Extra Curricular Activities Payment Form

The State of Arizona allows taxpayers to donate to the Public Schools Tax Credit program. This program allows fees or donations made payable to public schools for extra curricular activities to be used as a dollar for dollar credit on your taxes.

Activities that count for tax credit are extra curricular activities that require enrolled students to pay a fee in order to participate in an extra curricular tax credit program. These types of activities can include athletic participation, non recreational field trips, and before/after school activities.

Individuals may claim up to \$200.00 and married couples filing jointly may claim up to \$400.00 in a tax year. Please note that as this is a tax credit, any payment or donation made is **non refundable**.
